**CUSTOMER BONUS REQUIREMENTS**

**New IBOs with a start date between 1 Mar - 31 Mar 2019 must acquire their customers in their first 30 days unless otherwise stated above.** The time in which customers count toward IBO qualifications varies by product type. Refer to the Order Entry Timelines to ensure customers are submitted in time to qualify toward the bonus. IBO must be Customer Qualified to earn bonuses. ACN reserves the right to retract bonuses for customers that never get connected to the applicable service.

**Terms and Conditions:**

All Bonuses: ACN reserves the right to remove or not award the bonus point or to retract the award of this promotional bonus where service cancellations occur, including when this occurs outside the promotional period or where fraud, misconduct, or if any other reasonable circumstance suggests the IBO is ineligible to receive the bonus point or promotional bonus. Customer Acquisition Bonuses are GST exclusive. Refer to the Compensation Plan for position qualification requirements. IBOs must have completed the Customer Acquisition Code Accreditation and other relevant accreditation (i.e. AU Vodafone and Energy Accreditation Training), by the conclusion of the bonus period/s stated above. IBOs must be qualified and active as at the conclusion of the bonus period/s stated above. Customer Acquisition Bonuses will be generated for payment each Thursday and paid to eligible IBOs by the following Tuesday. New IBO Customer Acquisition Bonuses will be generated and paid according to IBO start date: 1-14 Mar will be paid from 6 May 2019, 15-31 March will be paid from 20 May 2019.

- Vodafone: Eligible services for the Additional Customer Bonus include new to Vodafone services that include a mobile phone or tablet excluding \$15 plan. Vodafone Mobile Promotional Bonus Point only applies to new connect Vodafone \$45, \$50, \$60 and \$80 Handset Plans, and \$30, \$45, and \$60 Tablet plans with an accompanying device over a 24 or 36 month term. Not eligible for SIM only plans. Not eligible for upgrade orders.
- Click Energy: All services must be ordered before 11:59pm AEDT, 31 March 2019. A meter is defined as one electricity NMI referred to Click Energy via ACN approved methods. This promotion applies to new to Click Energy, credit approved residential customers only.
